

Let's talk... about Medicaid

Think about it:

If you utilized our Health Plan of Nevada's Medicaid Plan services, you could save time and money with fewer missed appointments. Let us come in and speak with your teams about all we have to offer our Medicaid members.

- We have the largest provider network in Nevada.
- We offer transportation assistance for social and clinical needs.
- We provide intensive case management for social and clinical needs.
- We can address social determinants of health (SDoH) barriers.
- Expectant and new moms can access our pregnancy and new baby support app, Tummy2Toddler.
- We provide housing opportunities for those who qualify.
- We offer same day psychiatric appointments.
- Our members can get LIVE in-state assistance on the phone or they can drop by our office.
- We have a specialty medication delivery service.
- ★ And more.

We can provide outreach event opportunities at your health center. For more information or to set up an appointment for us to speak with your team, email us at HPNOutreach@sierrahealth.com or call one of our outreach team members below.
